TO

To Kim, Jan & FAMILY:

This lady was an amazing woman! I considered her a SUPER WOMAN! She became my friend, my confidant and a second mother to me. She supported me through both, the death of my mother & father. She also supported me through my diagnosis of breast cancer and all of my surgeries. She made me feel like SUPER WOMAN! I was never a victim but ALWAYS A SURVIVOR! SHE TAUGHT ME THAT! Then when I lost my mother in law, who she knew pretty well, she supported me 100%.

I worked with Audrey for exactly 5 years. She became my best friend. We were quite the odd couple because of all the years between us. We meshed very well.

Her and I ate lunch together almost every single day. We talked about everything.

This woman went to work every single day, unless it was a golf Wednesday. She ran circles around ALL of us! She was a great example to many of us.

She said she would never retire because then what would she do? Sit around and look at 4 walls and then die? She was right.

She was a spitfire! Full of spunk and sass and I wouldn't have had it any other way!

I haven't worked with her in 7 years but we still kept in touch as much as possible with her very busy life and my change of life.

I loved her very much and I know she loved me. I would have done anything for her!

I used to bring in lunches for us and she would do the same. She loved my famous UN-STUFFED SOUP and I promised I would bring her some and regretfully, I didn't. I'll never forgive myself.

She was smart, beautiful, classy, funny, spunky and had a heart of gold!

Rest in peace my friend. I know you are in heaven not feeling any pain and I am at least grateful for that.

I was truly blessed to have known her. ❤️

My condolences go out to her loving family. She will be missed immensely and I will never forget the times we had.

My heart is broken 💔 knowing that you are not around. Just know that you have left an imprint on our world and in mine. I couldn't have made it without you through all my struggles in the 5 short years we worked together. I was blessed to have met you and THANK YOU!

SOMEDAY, I will meet you again.

You will be missed! 😭 I hope you're dancing in HEAVEN!

I loved you and ALWAYS will! Thank you for supporting me through so much!

Your Friend ALWAYS & Forever!
