“ Me and Dave Wright work together at Terminix in the 80s. I left and started a pest control company and he left shortly after. I talked him into leaving. We always communicated and talked with each other, on how it was one the best decision we ever made. I am very shocked and Super sad to see him gone!!!! My sincere condolences go out to his family.

“ Dave was much more than just a vendor to Barton Towers residents, he knew everyone. If you wanted to know where a resident was ask Dave. He would say I just saw he/she leaving the building. He knew residents by name and apartment numbers by heart. He told me that he had been here over twenty years as a vendor. "HE'S GONE BUT TRULY NOT FORGOTTEN BY BARTON TOWERS" REST DEAR FRIEND, JOB WELL DONE MUCH LOVE TO YOU.

“ I want to send my condolences to David's family. A few years ago I worked in the office at Barton Towers and Dave came in weekly to treat our bugs. Dave was the nicest person, always said hi and would talk about whatever. Just one of the nicest people you'd ever meet! He will be surely missed by all of us who knew him.

“ Dave was one of the nicest people I have ever met. It was not that he was just one of our vendors but he was like a family friend. His information and suggestions was like our Dad watching over the house and only wanting the best outcome. He was truly concerned for the residents here at Barton Towers as many of them he has known for many years of coming here. His sense of humor made the day and will be greatly missed. He is one of the irreplaceable ones.
