“ I just discovered Emil passed away 10 months ago, because I wanted to invite him to a memorial for my mother, Emily, who passed away in April 2020. Emily and Emil knew each other from mall walking at Lakeside Mall and I (Helen, Emily's daughter) met him one or twice and spoke with him on the phone a few times. I'm so sorry for your loss and would like to share a photo of him with fellow mall walkers:

Emily is second from the left and I'm sure you can identify Emil.

My sincere condolences

“ I have not seen the Bohn family for many years, but always enjoyed going to family gatherings when they were there. Virge, Emil, Mike and Gene [As we called her] were the nicest family I've ever known. As one gets older, people that we once seen many times in the past drift apart. I regret that I will not be able to pay my respects in person, but I want the family to know that my prayers are with you. I have notified my brother Jim in Florida and my sister in Saginaw and they also offer their prayers to you and all of the Bohn family.

“ I met Emil 50 years ago this past April. Working at Western Electric here in Plymouth, Emil was one of the three Michigan Bell engineers that configured our pre-wired switching systems. As the department go-fer I dealt with those engineers a lot, and Emil was the best. A real personable guy, a joy to work with. One thing I'll never forget was the way he initialed his correspondence: E=3. He rounded the "E" so it looked like a bone. My condolences to his family.

My husband Aaron and Pat met Emil several years ago at Lakeside Mall during our daily walk. We both always enjoyed our daily talks. Emil and I both were retirees from AT&T, also known as Michigan Bell. WE also shared our love of crafts, especially knitting. Emil shared many of his knitting patterns and also scarfs. Most of us that saw him in our group of walkers, enjoyed his gift of scarfs to most of us. We will miss him. Our condolences to his family
