“ Dear Val & Family,
We are glad we had some time with Gary in his final days. He is now in a better place and will not suffer anymore. Gary's personality, hospitality and freindship will never be forgotten. We enjoyed every moment we had with him and learned from his strength and determination how to live a full life. He will certainly be missed! "Until we meet again"

“ I'm so lucky to have played many rounds of golf with Gary. I was blessed to be in his foursome when he hit his FAMOUS 4 iron, (his best shot of his career per Gary). We were playing in a mixed couples event at Burning Tree; it was 38 degrees that day and I brought out a flask of peppermint schnapps to warm us up. We just emptied the flask on the 8th tee when Gary transformed into Gary Player. He hit the two best shots I've seen him hit ever; Driver and the Famous 4 iron to 1 foot from the hole. Gary you were an inspiration to everyone who knew you. Your laugh-infectious, your smile-contagious and your love for your family-endless. You never complained, even on your worst days. May you finally rest in peace!!! Yes, I will have a shot of peppermint schnapps in your honor on Saturday. Bless you dear friend!

“ When I started working for HOMESTEAD MORTGAGE, I was given the pager that used to be Gary's 810)518-8741 and he & I "connected" immediately. I could count on Gary's compassionate ear when I had business questions, but also when personal issues came up. When I was first told that I was diabetic, it was Gary I called. We saw each other at our foot doctors office over the years. He was my FAVE at Homestead, and will be remembered with a loving heart. I know where he is at now and I know we will see each other again soon. God Bless you Val. He was a great man and loved by many. You will be in my prayers as Gary no longer needs them. He is safe, happy and whole again.

“ Dear Carr family, I want to offer my condolences and to assure you of a wonderful hope that the bible offers. The bible makes the promise of a resurrection at Acts 24:15. It also tells us that death will be no more. (Revelation 21:4) You can believe this because God is the creator of life and he is certainly capable of restoring it. He has resurrected people in the past and is eager to do it again. (Job 14:14,15) He will resurrect them here to the earth and you can see them again without having to die. My hope is that you take comfort in these promises and that it can in some way ease your pain at this time.

“ When I think of Gary, my mind sees that sweet young boy from St.Jude grade school.
Always good natured and a smile on his face. He is at peace in the comforting arms
of our Lord. Till we meet again,

“ Gary, my brother, my golf partner, my business partner, my friend loved by all that knew him. A presence in any room. Filled with laughter and goodwill even at the end. Finally, free of pain and at peace with the world. Probably sitting with Mom and Dad right now sharing fried chicken and cocoanut cream pie together. RIP brother.

“ Gary made life brighter and lighter hearted for so many people. He loved his family and friends with all his heart, had a fabulous sense of humor, and thankfully, passed his turn-the-lights-on smile and twinkling eyes to all three of his children. He will be deeply missed and lovingly remembered always. Kurt, Barbara & Jessie Pitcher
