“ We love you and will miss you so much Aunt Marge! You were always so sweet and kind. We will always have the great family memories of so many Christmases where we would stay at your house, Houghton Lake with all the Kuklers, etc. So many great memories we will cherish forever. You are in heaven now with my Dad who proceeded you to welcome you. Be at peace. Love you Aunt Marge!

“ When we were little, we used ride our bikes up to a local park to meet my grandma, where they had “music in the park” every summer. We would sit there and watch the bands with her. She always loved that and still 20+ years later would talk about how much she enjoyed doing that with us.
