“ *I just came across this and to say I'm shocked would be an understatement. I am so sorry to see this. I'm sending prayers for Greg's entire family!! I knew Greg, his father and brothers growing up. I worked at the Barrister House and got to see them sometimes multiple times a week. Greg and I became fast friends, and I can't put into words what a great man he was!! Kind, generous, funny!! I haven't see or spoken with him in years, but I have thought of him. He will be missed!!*

“ I just came upon this and I am shocked and saddened to say the least. Greg was such a kind and friendly person. I knew him from BGHS. I would see him around town and always at the Italian Festival. I was looking for you this year. Rest in peace Greg! God bless your family!
