“ Greg, once asked me why I was going to CR.

*I answered “ Because I am not God and I don’t have it all figured out.”*

*“Well you aren’t God but you are his sister!  
You always made me laugh. You always said I was far too serious for my own good. You were always my go to human. The one I would call at midnight and you would always talk me off the ledge. . I’m afraid to face life without you. I will miss you everyday of my remaining life.*

*Your sister forever, Susan*
