“ Mom, I am not a man of many words. Love how you always looked out for others especially me! You were there always, as was dad. We will cherish our memories forever especially golfing and bowling! Watching you waving and smiling to us last Thursday will remain in our hearts forever! Love you always, Dave and Janie

“ Hi Mom,
I shall miss you every day of my life because there is a hole in my heart that only you can fill. I will cry now and again because of all my wonderful memories of you. Many wonderful memories of growing up and when I'd fly into Michigan to visit with you and Dad. I know you wanted to be with Dad so I am extremely happy for you now. And you have no more back pain and your mind is fully restored. Blessings!
I miss you terribly, Mom. Please pray for me and my family and everyone else. We all need your prayers Mom as you are especially close to Jesus.
Loving you always,
Lynn

“ *You were the greatest godmother a girl could ask for Auntie Jan. I remember the millions of laughs you and my mom shared over ciggies and coffee at your home back in warren! I loved family parties so so much! So grateful you will be smiling down from heaven with my mom, auntie Mary, grandma and your beloved Ken!*

“ *She was an amazing grandma. I actually have a lot of memories of the Wagner street house. When I stayed for sleepovers, she would always let me stay up late and rub my back. She would always have her shortbread chocolate chip cookies in the freezer in the basement that would sneak. She would let me put on lipstick before she took me to Chuck E Cheese. And she would always let me pick flowers from the “snowball bush” in their backyard (I think they were peonies). I especially loved time with her when I was little. She continued to be an amazing grandma as I got older.*

“ *If roses grow in heaven,
Lord, please pick a bunch for me,
Place them in my mother's arm
and tell her they're from me.
Tell her I love and miss her,
and when she turns to smile,
place a kiss upon her cheek
and hold her for a while.
Because remembering her is easy,
I'll do it everyday,
but my heart is forever broken
and that will never go away.*

*Rest in peace my dear mother and my best friend i will miss you
everyday of my life.
I love you Teri*
