“ I met John years ago at Radian and can genuinely say he is someone that I have always admired and looked up to. He was always welcoming, made time to chat, shared valuable insights in work and life. Had such a network of people around him that was a true testament to who he was. John was respected, by everyone. In life, there are very few people, if any, that you meet with such high caliber. Its an honor to have met him. My deepest condolences to his family. Sincerely, Alex Rand

“ I first met John 31 years ago at my first acquisition assignment, when he was the Deputy PM at Heavy Tactical Vehicles. He had a way with program strategy and policy and had a unique ability at putting everyone in the room at ease while ensuring our objectives were met. I enjoyed the many Fridays we spent, sharing stories around a beer at Pampa Lanes or other places. John was a great officer, mentor and friend, and he will be greatly missed.
