“ I worked with John for more than 30 years at Faygo Beverage and considered him one of my best friends during that time. He will be dearly missed as another good friend who has passed on. May he rest in peace.

“ To: The Wesson Family; I want to tell you that I'm sure your Dad has many life tributes as I always only heard wonderful things about him. I appreciated the fact that at the age of 82 (March 2015) he drove clear from the opposite side of town (Sterling Heights to Westland) all by himself to attend my mothers (your mothers cousin Betty Ruttan-Staley) funeral. I believe this says a lot about his character and his caring way. I live in Texas and can't attend his funeral but I'm saddened about his death and send you my deepest condolences.

You are in my prayers

“ Dear Sue, Rosemary, Patty, John, Robert and David, I am very sorry to hear of the loss of your father. One of the best memories I have of your dad is when both your Dad & Mom hosted a neighborhood party. I had such a wonderful time and appreciated the kindness of your father (& mother). It's been over 50 + years to have such fond memories. My thoughts are with you during this sad time. With love, Beth (Bradley) Zarfes
