“ *I too was a News carrier and later a station captain at S139 for Mr. B, as we called him. He had a way of keeping us in line and letting us have our fun. I can still hear him saying 'you crummy kids!', with great affection of course. He was a great man to work for.*

I was very saddened to hear of his passing. My condolences to his family.

*Rest in peace Mr. B.##imported-begin##John

“ Jeanette, Lisa, Lorri & Michael. I am truly sorry for your loss. I was a station captain @ s139. I had several different news routes for over 6 years in the middle 80s. At a time in my life when I was busy doing everything I shouldn't have been doing. Disputing with teachers, arguing with parents, avoiding adults and role models in general. As well as finding myself in more trouble then I like to remember. John Bednar was one of the few and only adults I could see eye to eye with. I recall him taking the time out to have a cup of hot chocolate with me and point me in the right direction. I also remember him on several occasions taking the news carriers out to Buddys. I remember him wrapping easter eggs in tinfoil and certain ones had money in them. I recall him helping out tremendously in aiding me and several other news carriers. Threw the sales of subscriptions to the Detroit News. I, and several other neighborhood kids traveled across the country to TX. Flo. Cal. Washington. Even the Bahamas. We were barely teenagers and we got to travel all over seeing the world with neighborhood friends. During these contests when we would run into dry spells or had trouble with sales Mr. Bednar would give us some subscriptions that were called in. He told us what Streets/Apartments to hit and even suggested certain houses. He pulled many strings and did far more then bend the rules to see to it that any good kid who put a good effort into trying to win the contest ended up getting on that plane.

I regret that I cant find the words to complement him enough. To some news carriers he was more then just a station manager.##imported-begin##Eric Swensen##imported-end##

“ Jeanette, Lisa, Lorri & Michael,

Our sons, David, Paul & Eric had daily contact with John for a good number of years. And, I often visited with John while participating with the boys.

John's 50th Birthday Party at Shield's on Chicago, or perhaps it is 13 mile by Van Dyke is a special memory.

John had a quality profile. One example was his continued support of the Delivery Boys. He acted as a buffer between the News and the Boys. And he certainly leaned towards the boys when the customers complained. I'm certain that John's support has been remembered and highly regarded by most all the News Carriers he managed.

Warmest Regards,

“ I read with great sadness today that Mr. Bednar has passed away. He was my district manager for many years when I was a paper girl, back in a time when a girl who delivered papers was rare. I was the only girl at Mr. Bednar's station for quite some time and I remember him as the nicest man. He always delivered my papers to my door every day even though everyone else had to pick them up, and when I would go to the station on Sundays he always treated me with such kindness. I have often thought of him through the years and wanted to thank him for taking a chance on me and giving me my first job as an 11 year old girl. I am deeply saddened.##imported-begin##Jennifer Illsley Carrier##imported-end##
