“ *Dear Dad,*

September the 8th will be one year since you left us, and contrary to what people say, time doesn't make it any easier nor does the pain go away even for a little while. I think of you each and every day and remember always just how Great a Dad you were to me and what huge a part you played in my life. You will always be my Hero and what I truly aspire to be as a man, husband and father. You left a legacy that's not easy to follow .. but I try. With your help maybe I can someday get there or at least partway.

We all miss you so Pop .. Ceil, Bobby, Lindsay, Mom and your Sammy too.

May God Bless You and Take Care of You for us Dad.

All My Love Always.

Your Son, Jerry##imported-begin##Jerry Klesko##imported-end##

“ To the Family of Joseph Klesko,
I know I can't understand the pain and sadness you must be feeling
now, for the loss of a husband and father.
For a part of my life I knew this man as more than just an Uncle.
I hold him in the highest regard I can give to a person. The
memories I have will always burn brightly and never dim.
You will all be in my thoughts.##imported-begin##Daniel
