“ Mary Frances, Rose Mary and Al,
Our families were close even before children were born. DeBiase's
and Pace's were brought together and felt like blood relations. My
parents died when I was 4. Rose and Paul took my sister Benita in
at that point and loved and raised her for about 3 years. Then they
reunited her with the DeBiase/Hunt family. Mario was a cousin to
me, my brother and sisters. I am proud to call Mario my cousin.
Mario was a wonderful person and had a wonderful family. I'm glad
to say that I had a chance to spend time with Mario and Mary
Frances about a year ago. I really wish we had had more times like
that to grow even closer.
Mario, you will be truly missed!! Love John DeBiase

“ Dear Mary, Pj, Karen, Rose, Albert and families, My deepest condolences and love to all of you. Mario was so special to me and will always be in my heart. I go back to the DeBiase days when I can recall xmas and holidays with the Paces. Mario was always on the go, smiling and bubbly and loved life. I was flying home one time and I saw this guy sitting kitty corner to me on the plane. I kept staring at the side view of him thinking OMG that looks like Mario but thought now why would he be on a plane from Albany to Buffalo. So I kept staring and all of a sudden I just blurted out “Mario!” And believe it or not , he turned around. I was so happy to see him I was balling my eyes out!

Mario was a protective person and so full of spunk!! I had so much love and respect for Mario and all the Paces. Mario, you have started to close a big chapter of my early years as a DeBiase and it hurts and makes me feel empty. You will always be remembered with such happy memories. My prayers, love and thoughts will be with your family. Love, Mary Ann (DeBiase) Stachura
