

Mark William Schmidt

July 6, 1958 - October 15, 2022

Mark William Schmidt, 64 of Algonac Michigan passed away on October 15, 2022 after over a year long battle with cancer.

Mark was born on July 6, 1958 to William and Barbara Schmidt in Detroit, Michigan. After graduating from Warren Mott in 1976, he started a successful and sometimes challenging career in the Aerospace industry. Mark spent over 40 years perfecting his craft. He loved the challenge and diversity of mastering many aspects of an everchanging environment. After a two-year relationship that started at Big Boy, in 2000, Mark and Doreen got married.

Mark loved spending time with family and friends, as well as the family dog Jake, and two pussycats.

Mark enjoyed outdoor activities such as camping, fishing, hunting, and his fire pit. And we all know how much Mark liked to watch football. Oh his beloved Lions! By the way, the game will be on at the Celebration of Life.

We know that Mark is surrounded by the love of his grandparents, his mother Barbara Schmidt, and by his friends Mark Ketterer and Kathy Jones. I am sure Mr. Bear was there to greet him too!

He is survived by his siblings Douglas Schmidt and Laura (Kurtis) Bennington; niece Alyssa, nephews Ian and Max.

Along with father William Schmidt and wife Doreen Schmidt, he is survived by his children Stacey (Todd) Allen; his grandchildren Nella and Jacob, William (Brittanie) Schmidt; grandchildren Emmalynn and Cole, Heather (Jason) Walters; grandson Jackson, and Angie (Michael) Ogelsby. Grandson Erik (Thomas) Parker.

“ I first met Mark back in the 90s well making a sales call at Gentz industries. Mark was the foreman in the milling department. He gave me an opportunity to help them improve the machining capabilities. Little did I know it would lead to 30 years of working with him and a few different aerospace companies, I think of all of the times we met solve so many problems and became very good friends. Little did we know we each went to Mott and Groupo in the same area. We would often laugh about being a Mott marauder. when I look back and think about all the times, we brainstormed manufacturing problems, Mark mentored me during my career. Marker is always very even killed. Never got overly excited, but just wanted to apply logic. We both laughed because in the past few years as we got older, we would talk about our gardens. But I also found out what is the strong love for his family especially his darling wife. He is never wavering in his morals and his love for his family and his willingness to do right for others. Mark left me with something very special. During a recent phone call, he told me he was so happy that I was in his life, and that he loved me , of course I told him I loved him too and so much enjoyed our times together. I guess the most we can ask for in life is to leave a bit of ourselves with others. Mark touched my life in such a positive way, in a way making me a better person. I'll never forget Mark and I am so thankful he has been part of my life. Rest in peace Mark you're in gods hands.
