“ I was so saddened to hear about Mark passing away. I was his hairstylist for many years. He was the best client! Always willing to try new styles and changing his hair. Also loved his unique an expensive taste. You will be missed my friend!

“ Mark you were more than a co-worker to me, you were a friend. You were probably the best host that I know and I am Happy that I told you so 😊 I always felt welcome in your home and enjoyed the complete tour whenever I visited to show any new and unique items you had acquired. Dinners with you and Valerie were always the best. I was introduced to some of the best restaurants in town that I otherwise would not have known about. I will miss meeting up at the movies or watching something that you recommended. I am so happy that I was able to see you and spend time talking and remembering with you not too long ago. I am also saddened by the fact that we did not get to meet up again for a belated birthday lunch that you want to take me to. Miss you, Your friend ~Carrie

“ Mark was so kind and welcoming to me when I needed a friend in the office; we worked together for a while. He had such a sharp wit and great sense of humor. He gave me some great recipes. And who can forget all the incredible desserts he brought into the office for us - that decadent layered dark chocolate cake with espresso! I'll never forget it. May his soul find joy and great beauty out there. - Chris
