“ *What we remember about Suzie is, she was always laughing. She had the best giggle and we always tried to keep her laughing. Many memories of holidays spent with family, and we will treasure each and every memory. Prayers, hugs and love to Jerry and Courtney, and Betty during this very difficult time.*

“ *I got to know Suzie through Vito and Betty. My brother and sister in law Betty who is her twin, introduced us. She was fun and had a great sense of humor. She and Jerry got married a year after my husband and I. Remembering the many shared family gatherings, and her beautiful smile. RIP IN JESUS ARMS SUZIE ❤️💋 My family extends our sincerest condolences to Jerry and his family. And to Betty and Vito and their family.*
