“ Hi Ed,  
Losing a father is indeed one of the most painful and heartbreaking experiences one can ever endure, as you know I just went and am still going through it. The love that your Dad brought you did not leave, it cannot escape the heart & will stay there forever. I have great memories of hanging around your Parents Home, having good food, nice weather & great conversations with them esp. about your Dad's Olds. I'm truly blessed to have known you and your Family!!
