“ To Bob's family, he will surely be missed. Red and I loved visiting and playing cards with Your Dad when he would head 'Up North' with Stan. Of course the guys always got in a round or two of golf. He was really a great All around guy. So sorry for your loss

“ Cheryl, your clinical review family is saddened by your loss. You and your "other" family are constantly in our thoughts and prayers. Please let us know if there is anything we can do to lessen your load during this time, even if just for a shoulder or an ear... We love you friend!
