*Bob was a good man. It's been a long time since I have seen him but one of my earliest memories of him was back in the early fifties when we were all involved in Cub Scout softball. He would march up to the plate, like Goliath, and those poor opposing pitchers would melt down. my sincere condolences to his family, his brothers and sister.

DEAR ROSE, CAROLYN AND MELISSA

Linda and I feel blessed to have shared a part of our lives with Bob. He was a man of integrity, wit and enjoyed being with his many good friends. We worked together 13 yearshe was a confident, smart and caring. We golfed, fished and sailed together for more than 15 years.....logged more than 100 sails on lake St. Clair. All his buddies adored Bob for his values, counsel, charity and friendship. He loved his charity work and bestowed his blessing and comfort on many less fortunate or restricted. Linda is not here to say goodbye to Bob....so please accept my sincere sympathies from both of us...and thank you for sharing the enrichment of Bob to our lives.

“*Rosemary and Family: Please accept my Deepest Sympathy on the death of Bob. It's been years but will always remember the fun and trouble we all got into growing up on Elizabeth Street with the Marks family. Wonderful memories. May God hold you close, and hold you gently during this difficult time.*

“ Dear Rose, Carolyn, and Melissa.
I'm so sorry to hear of Bobs passing. He was a great friend to me, as was most of the Marks Family. I meet Bob in Cub Scouts I was his Den Chief. we became friends; started a hunting and fishing club together, helped other younger boys in 16 inch softball by having basement parties and paying for bats and balls for them, we paid there enter fees in different leagues and coaching them.. He was my pinochle partner and 66 partner. he could count better than most people in his mind. I always would laugh when he would hesitate before he said anything and would talk so profound. I thank him for standing up for our wedding, Carol and i will never forget you. I will miss you Bob. If we where standing together We would say. My the Great Spirit be with Us Until We Meet Again.

“ Thinking of Bob today reminded me of all the help he gave me at work. He was always calming me down so I could think more clearly. Bob was like that. He was the rational voice when all seemed so insurmountable.

But it wasn't at work that I hold my fondest memories. It was sailing on Brad Tisdale's boat. That is when you got the real Bob Marks. He was funny and irreverent and always the great mate to have on the boat. Those after-work sails are forever in my memories.

“ Rosemary, Carolyn and Melissa

I write this note with a very heavy heart. Bob was a great man who taught me much about our business, but most importantly, the principles of integrity and treating people with respect.

He hired me into the advertising business (he said because I was a bartender in college) where he taught me how to work hard and make sure to laugh along the way. We will raise a glass to his memory and spirit. Coleen and I send our warm thoughts and deepest condolences.

“ *This is one big man with a gentle heart to match. A storyteller. A sage. And a get-er-done fellow. The only finance guy I know who could say “no” to a budget request and make you feel as if it was for your own good! He lovingly referred to Rose as his bride and his girls — shared all their milestones with pride. He made a difference in our world.*

And left it a better place...

“ A beautiful service and tribute to a truly great guy! Really wished I was in the area to participate personally but this was the next best thing. In your tributes Caroline, Dave and Vita, you guys did a tremendous job in celebrating Bob's life and the wonderful impact he had on everyone who had the privilege and honor to call him "Friend". I had the privilege to work and know Bob for over 40 years and will always be grateful for his advice, support and friendship! All the great memories from CE euchre games, golf, countless happy hours of camaraderie from Ted's Catch to Pancho & Cisco's are just too numerous to mention and all treasured!

Rose, Caroline and Melissa, our heartfelt condolences as well as our thoughts and prayers during this difficult time.

“ Dear Rose, Carolyn & Melissa,

Heartfelt condolences on the passing of beloved Bob. Your loss is shared. Bob enriched my life just by being part of it. I was introduced to him through two dear friends - Bill Blackwell and David Jansen. Bob's genuine love of family and companionship was inspiring. He also had an abiding compassion for those less fortunate. When I spoke with him, he made me feel that I mattered. Bob had an uncanny ability to make everyone feel that way. As Maya Angelou observed, ". . . people will never forget how you made them feel." He will be sorely missed.

It has been suggested that when we lose someone we love, we should learn not to live without them, but to live with the love they left behind. As you and your extended family know, Bob left behind an enormous treasure chest of love. Choose to live with those beautiful memories and enduring love that will be forever in your hearts. His remarkable life may have ended, but his relationship with you continues.

May Bob enjoy eternal joy and peace. May you feel God's love and support during these difficult days. God bless you and your family.
