

Robert Whicker

December 3, 1966 - January 4, 2024

Robert Douglas Whicker was a beloved husband to Julia, father to Dalton and Olivia, and friend to nearly anyone he spoke with. Tragically, he left us unexpectedly the morning of January 4th, after about a year of declining health. Chef Bob spent his life serving our community, both literally through his delicious cooking and figuratively through projects like his work with the Packard restoration.
