“I worked closely with Sandy for many years at Real Estate One. She was funny, smart, hardworking, loving, and beautiful inside and out. She became a real friend and I regret losing touch with her in early 2000, after I left Real Estate when I had my first child.

I remember her being highly devoted to her sisters. She loved them deeply, and was there for them in any way she could. Sandy was also devoted to her mother, and I remember her making homemade chicken broth for her before she passed away.

Sandy enjoyed cooking, and helped me make my very first apple pie (using her mother's recipe - which I still use today). I still think of her every time I make that pie.

My thoughts and blessings go out to Sandy's family, friends, and loved ones. Sandy has left this world much too soon, and will be deeply missed. Her memory will live on in the love and laughter she bestowed on those who knew her. Her strength of spirit will endure.

Sandy and I started at Chase bank on the same day and got to know each other well. She was a very caring friend who was great to talk to. Sandy was very intelligent and always shared her knowledge as she wanted others to succeed as well. It was a pleasure working with her over the years. May you find comfort in all of the precious memories that will be with you forever.

“ I was a coworker of Sandy mainly through email, instant communicator and phone calls due to our location. Sandy was very knowledgeable. She knew our policy and procedures and I would often consult her to get her expert opinion on difficult situations.

She was always kind and upbeat which made it seamlessly easy to work and get along with her. She was a true team player. I did, get the pleasure of meeting her in person when she flew to Texas for work. Sandy was just as beautiful as her beautiful personality. It was my pleasure to have known and work with her.

Passing away leaves heartaches that no one can heal but love leaves memories that no one can steal. Sandy has left a lot of lovely memories.

She will be missed.

My heart and prayers go out to all of her family and friends who knew her most

“ This message is for Sean, Sandy's partner :
I can understand the loss you feel - this thought, in time, may offer some comfort. I know it did for me when I lost my children's father and the love of my life - also at a very young age....
Some people spend their whole lives searching for the person that you and I were blessed and privileged - and lucky enough - to have found and shared but a brief moment with....
And never find them...
I truly feel for your loss - Sandy was a beautiful soul - so was my children's father. we were lucky to have had the time we did and i will never forget him - or Sandy

“ *Sandy will be sorely missed by her co-workers at Chase. She was well respected and loved by all. I got to know Sandy when I hired her about 4 years ago as a supervisor in our mortgage banking division. Sandy brought a wealth of knowledge and experience from underwriting loans for customers. She helped numerous families save their homes as evidenced by the numerous letters of thanks she received from her customers. I will especially miss her smile and her self-deprecating and witty sense of humor. My thoughts are with her, Sean, her sisters, and the rest of her family and friends. I am so thankful to have been given the privilege to work with Sandy and will always be grateful that I knew her.*

“ My deepest heartfelt sympathies to Sandy's family on the great loss of their beloved sister, daughter and loving partner to Sean. I have so many wonderful memories of Sandy: she was a truly remarkable woman; smart, kind, witty, strong, beautiful inside and out. I first met Sandy in the early nineties when she was working for Real Estate One and I was working at Republic Bank. What started out as a professional working relationship soon blossomed into a cherished friendship. A friendship I thought would last a lifetime. Little did I know that that lifetime would be cut so short....much, much too short. I do not possess the words to fully express sadness I feel knowing that I will never see or speak with Sandy again. I will be forever grateful for having the gift of Sandy in my life and the memories of the times we shared together will live on in my heart.
