“ My heart breaks for Sam's family as I just heard the news of her passing! I am so saddened by the loss of such a beautiful, young woman! Sam and I were friends through our teen years and shared many fun times together! She was always the kindest and airing friend that you could ask for! I know that heaven gained a beautiful angel with a heart of gold! May you find peace in your life and know that your smile will be missed!

“ Dear family, wanted to extend some words of encouragement in light of the passing of your love one Sandra F. VanAcker. Death is like sleep in that the dead are unconscious and cannot do anything. However the creator of life can bring the dead back by means of a resurrection. In proof of that, God empowered Jesus to raise several dead people to like. - Ecclesiastes 9:5; John 11:11, 43, 44. “ You were the best mommy ever, and from this day forward I will take everything that has happened as a learning lesson from you to make me stronger. There won't be a day that goes by that I won't miss you, or need you, or just need a hug from you and that brings a tear to my eye. But like you always told me "it is what it is" hahahaha, well that saying has made a strong young girl. I know heaven just made you a beautiful angel to watch over me. I love you soooo much mommy, R.I.P?

“ Sam, it has been awhile since we have seen each other. I will always remember your beautiful smile and always had a hug for me. you always looked picture perfect. i remember the love you had for children. I won't say good bye Sam just until we meet again. i hope people will remember your life as this poem... I read of a man that spoke at his friends funeral.. He referred to the dates on her mass card. from the beginning to the end. He noted that first came the date of her birth, and spoke the following date with tears, but he said what mattered most of all was THE DASH between those years. For that DASH represents all the times that Sam has spent on earth. Now only those who loved her know what that little Dash was worth. For it matters not how much we own, the cars, the house, the cash, what matters most is how we live and love and how WE spend our DASH. Rest IN PEACE Sam.... Geri Kelly

“ Words cannot explain how much I miss Samantha, so many memories of us growing up together, learning life, and sharing a partnership. She gave me a beautiful daughter, Cierra, that everyday I watch grow, seeing Samantha's beautiful personality, her courage, her strengths, and warm heart. I promise always to take care of and share many memories throughout her life and always remind her of how proud she is of her beautiful daughter. I look forward to the day when we see you again! “ I have only fond memories of Samantha, she was my friend, partner and wife. She was a good mother to Cierra and stepmother to Thomas and Carsen. Although things didn't work out quite the way we wanted them to, Sam was still a very important part of my life! I will always love her and she will be missed by all that knew her.
