“ Tom was a dear friend to my mother, Anna Marie Rogers, through out her life. He was always kind and supportive just that way she needed him to be. Rest In Peace, Tom.

“ I worked with Tom at the old Michigan Department of Social Services for many years, and we shared a lot of laughs and good times. He was so helpful when some of us newer workers were promoted to the Services division, answering our questions and basically training us to do the job. He also talked about his family a lot; it was obvious that they meant a lot to him. My deepest sympathy goes out to them. RIP, friend!

“ I was friends with Tom some 40 years ago. When he went to Hawaii he brought me a coffee mug back, with my name written on it in Hawaiian. I still use to this day, and now when I use it I will always remember you.

I lost contact with Tom through out the years, and recently found him again on FB.

Had many nice chats and had plans to meet for lunch , so sorry we never were able to do that.

Rest in Peace Dear Friend !!
