Tribute Wall

“ I remember the very first day I met you and chased me with a golf club. You were very fast for a three year old. You were also the reason that I still to this day like Dragon Ball Z. I have a lot of great memories of hanging out with you and your family. You will be truly missed. My condolences go out to your family and friends.

Lawrence Johnson - October 21, 2022 at 09:00 PM

“ He loved his jeep he bought instead of a house in south warren,that's what he toldme anyway. And his beards,And a good artist. After asking for a year or so, he painted a picture of John Lennon and George Harrison for me on a yellow submarine background Tommy was a friend of mine. See ya Tommy....
