“ Gary and Family,

Wanda was one of the most inspiring women I ever met. Since meeting her in 1992 she and your family made me feel like one of there own. Throughout the years I've always looked forward to conversing with Wanda about anything at all. Her spirit and positive attitude about life, places she had seen and family is something I will embrace.

My Family and I will keep you in our prayers and we look forward to discussing past memories and making new ones with you and your's...

“ Dear Paul & Melanie,

Our condolences on Wanda's passing. After meeting her at the Baby Shower, we both commented on how kind and genuine she was. It obviously rubbed off on you both.

God, the Father, knows your heartache - He went through loss as He watched His Son Jesus die for us all.

We pray for you both that God will fill your hearts with His peace and knowledge that she is definitely without pain and in perfect joy with our Lord and Savior. Trust in Him and you shall be with her for eternity in the presence of God Almighty.

May God bless your whole family during this very difficult time.

*Sincerely,
Dominic & Christine Torres*

“ *Gary, Steve, Paul & Amy,
There are so many memories I have of my dear friend Wanda but the one that stands out for me are the weekly dinners I shared with her every week while Gary went golfing. We had some great times that summer. I will truly miss Wanda with all my heart. May God keep you all in his care during this difficult time.
Love,

“ Gary,
Our thoughts go out to you, your children, grandchildren and the rest of Wanda's family. Wanda was a very special person who always had such a great outlook on life and a twinkle in her eye. She was always a joy to talk to and we will surely miss seeing her supervising you doing your yard work in the days ahead (although I'm sure she's watching from above).
We are keeping all of you in our prayers,
Love,
Dale & Jill

“ Paul,
Our thoughts and prayers are with you and your family. Your mom was such a warm and caring woman. I credit her with helping to shape the character of all three kids as she taught them catechism. It is a sad day here on earth but heaven is rejoicing. She will surely be missed.
